Art AT BROOKFIELD PLACE

GALACTIC GARDEN

New Artwork by Robin Kang

August 20 - November 11 | Winter Garden Gallery

Discover artwork that merges the vibrancy of the natural world with the complexity of the digital through woven tapestries inspired by the Amazon rainforest and modern computational methods.

Plus, visit Sant Ambroeus for either a sit-down Milanese meal or grab a bite to-go from their coffee bar.

EVANESCENT

by Atelier Sisu

October 7 - 27 | Winter Garden

Explore this immersive installation that captures the fleeting beauty of bubbles through a color-reflecting film, creating a dynamic, ever-changing environment that evokes playfulness and highlights the transience of life.
